

## *Mechanism of Working with Corporate Clients:*

*We get to know your company's structure, operational specifics and distinctive features of its corporate structure before our cooperation begins.*

*We elaborate a special proposal scheme optimizing our joint effort in conjunction with your company's Head of Personnel Training and Development Department.*

*We assign an E.M.C. Logistics GmbH – Alice Travel staff member responsible for following the booking through to its completion, checking service quality and prompt delivery, billing and drawing up reports.*

*We draw up a summary analysis of expenses and budget structure in the course of our cooperation with a view to meeting your needs and minimizing your expenses to the fullest extent possible.*

*We provide full project implementation and monitoring.*

*We provide our customers with a detailed report with conclusions and recommendations in the follow-up of project implementation.*

*We offer our corporate clients the convenience of making a booking by telephone, fax or e-mail.*
