

# The Shangri-La Express

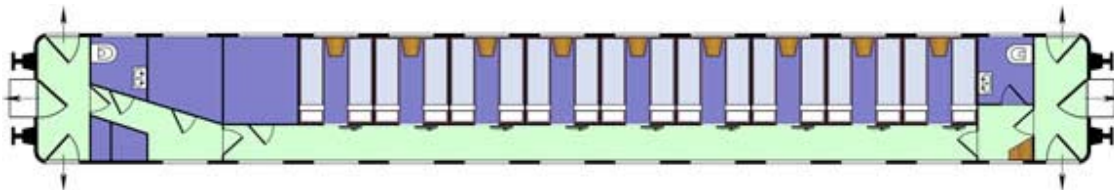

## Classes of Services

### Heritage Class

Traditional Chinese & Russian Railway International First Class cars with Orient & Trans-Siberian enhancements.

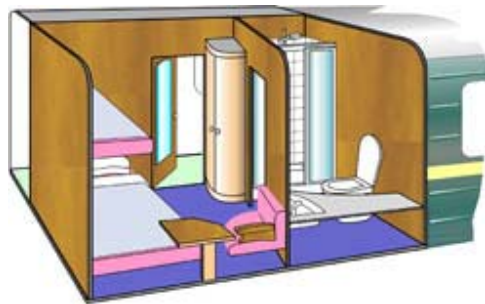

The cabins feature two side by side beds, luggage storage and are centrally air conditioned. Located at each end of the carriage are toilet facilities, and a purpose built shower car is included for the use of our Heritage class guests.

### Gold Class

Amongst the best in rail travel available today, our Gold Class cabins feature modern en-suite amenities including power showers and under floor heating.

Cabins are excellently appointed and equipped with state of the art DVD/CD player, LCD screens, audio system, individual air conditioning, recessed lighting and wardrobe space. Gold class has an area of 86 sq ft.
